Dear Sir,

REGISTRATION OF MANUFACTURERS UNDER THE IMPORT INSPECTION SCHEME TO EXPORT "PIPEX" BRAND HOT DIPPED GALVANIZED STEEL PIPES

Reference to your application submitted on the above, we are pleased to inform you that SLSI has decided to grant the **Registration Status** to your factory under the Import Inspection Scheme,operated by Sri Lanka Stands Institution.

The Registration Status has been granted only to the following factory :

14th km Stone,Hapur Road,
 Village Parson,
 Distt.Ghaziabad (U.P)
 India.

The above registration is granted subject to the following conditions.

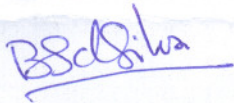

- a) Every consignment of "PIPEX" brand Galvanized Steel Pipes should be accompanied with a quality certificate issued by the manufacturer to the fact that the relevant consignment is conforming to the SLS 829 : 1988 Sri Lanka Standard Specification for Galvanized steel Pipes and Fittings including Amendment No 347:2006. The information required in the quality certificate is annexed herewith.
- b) The SLSI has option to draw sample from consignments on random basis to evaluate the effectiveness of the quality system and consignment will be approved for sale without waiting for test results.
- c) Any changes made to the information provided in your application forwarded to Sri Lanka Standards Institution at the time of registration, should be communicated without any delay. (The list of buyers in Sri Lanka and Overseas, and the status of ISO 9001 registration shall be updated accordingly).

Contd..2/-

The registration will be effective from the date of payment of Application processing fee and annual registration fee of US \$ 345 including applicable tax in Sri Lanka or equivalent amount in Sri Lankan Rupees. (Please refer the General Fee Structure of Import Inspection Scheme – DOC : GL-II-05 Issue No. 05 attached herewith).

Thank you.

Yours faithfully,
for SRI LANKA STANDARDS INSTITUTION

Major B S de Silva
Director (Quality Assurance)
